Here are some ways in which the WCA contributes to the vision of fostering a community that thrives in safe and healthy relationships.

**Break the Cycle Presentation**
An informational session about domestic abuse, warning signs, barriers to leaving, resources and information about supporting others.

**About Sexual Violence and Assault**
An informational session and conversation about sexual violence, assault, harassment and consent, so we can all thrive in a safe and healthy community.

**Domestic Violence Impact in the Workplace**
Learn how to identify warning signs that a colleague or employee may be in an abusive relationship, which resources are available, and what policies and procedures can be implemented.

**Tabling**
Each month, we bring our outreach table to events, including health fairs, community resource fairs, volunteer info nights and conferences.

**In Her Shoes**
'In Her Shoes' is a scenario-based training designed to help participants view an abusive relationship from the victim's perspective.

**In Their Shoes**
'In Their Shoes' is a scenario-based training designed to help participants talk about what dating is like from a teen's perspective.

**Tour In A Box**
Learn about the programs and services the WCA provides to those experiencing domestic abuse and sexual assault
