You may be in an unhealthy relationship if your spouse, partner, or a family member:

- Intimidates or threatens to hurt you, your family, or pets.
- Touches you in ways that hurt or scare you.
- Insults you.
- Limits where you go, what you do, and who you see.
- Tries to control your money.
- Destroys your things.
- Monitors your phone or online activity.
- Blames you for the abuse.
- Makes you fearful when they are angry.
- Tells you jealousy is a sign of love.
